Is it OK to wear more than one dress at your wedding?

Cupid's Advice:

We buy multiple pairs of jeans, tops, shoes and bags every year, but is it okay to buy more than one dress for one of the most memorable days of your life? Here are some things to consider when deciding whether to wear more than one dress at your wedding:

- 1. Cost:** Weddings can get very expensive, so if you're skimping on parts of the reception to afford that second dress, it may not be worth it.
- 2. Comfort:** We all want to wear that Cinderella ball gown at our wedding. But, if you decide to go for the elaborate dress, you may want to consider a second more comfortable dress for the reception.
- 3. Personal Preference:** At the end of the day, you've dreamed of your wedding your whole life, and if having more than one dress is an affordable goal, then go for it!
