Faris and Von D bonded over similar [celebrity relationship](#) woes, including self-doubt when in an unfaithful relationship. According to *UsMagazine.com*, Von D revealed that one of her exes allegedly slept with 18 people during the course of their relationship. She said, "I think I was in denial a little bit. I wanted this to be real and it wasn't. I used to be a hopeless romantic." Faris, who was previously in a celebrity relationship with *Avengers* star Chris Pratt, opened up about her own experience, but did not

reveal if Pratt was the man she was speaking about. The two women also spoke about the negative stigma surrounding women who are emotional. Faris stated, "Not to be too gender-specific, I do think as women we're sort of taught to suppress fear or suspicion, because we might be deemed as suspicious or neurotic or crazy."

These two women have cheating celebrity exes in common. What are some telltale signs that your partner may be cheating on you?

Cupid's Advice:

Anna Faris and Kat Von D opened up about their past celebrity relationship failures due to partner infidelity. If you're unsure if you're in the same boat as Faris and Von D, Cupid has some [relationship advice](#) to help you notice some telltale signs of unfaithfulness:

1. They spend more time on their phone: While increased phone usage can be benign, it's worth putting your guard up if you notice your partner has been spending an excessive amount of time on their phone. It is more so suspect if they will not allow you to see what they're doing on their phone.

2. They are more secretive: This is probably the most obvious sign that something is awry in the relationship. Couples shouldn't keep secrets from each other. If you see your partner hiding their phone when you walk into the room or spending more time outside of the house without letting you know where they are going, that might be a hint that they are up to no good.

3. An overall change in behavior: If your partner's mood and behavior have done a complete 180, there must be a reason for it. Before jumping to conclusions, analyze if there is anything else that could be causing the behavioral change such as stress at work. However, if there is no plausible reason then it is time to sit down with your significant other and figure out what is going on.
