Cupid's Advice:

Rebuilding trust within a relationship can be difficult, but potentially worth it with the right person. Cupid has some advice on how to repair your relationship:

1. Figure out what went wrong: Ask your significant other for honesty. Allow them to explain their thoughts and feelings as to why they may have strayed and broken your trust. Once you've established what was missing within the relationship, you can work towards moving forward.

2. Leave the past in the past: If this is the person you truly want to be with, then rebuilding the relationship is a priority. Once you've talked about what went wrong, begin moving on from the situation. Try to go out and experience new things together and build memories that you can feel confident looking back on. Plan date night once a week and pick somewhere new to check out each time!

3. Put in the effort: If talking it out together just isn't working, then maybe try seeking professional help. If Timberlake and Biel are making it work with couple's therapy, maybe you can too!
