Cupid's Advice:

Getting to know someone before you dive into a relationship is crucial. If you're looking for ways to get to know a potential partner, Cupid has some advice for you:

1. Explore your feelings: If this is a potential partner that you've met on a dating app, try keeping it virtual for a

while. Continue talking via texting and phone calls to build a layer of trust before you jump into a relationship. By getting to know each other on this level, you can be open and honest without it getting physical or too much too soon. Be aware of your emotions and move forward when you are ready.

2. Hang out in groups: If you're not ready for a one-on-one date with this person, try a group setting. Invite them on an outing with your friends and their significant others or vice versa. Getting to know them while enjoying time with friends will create a more comfortable and relaxed setup. Your friends can also weigh in on their thoughts about them!

3. Go on an adventure: Get to know this potential match by going on dates with them. Go for a hike or hit the beach! Explore the outdoors while enjoying each other's company. Spending actual time with someone and getting to know them on this level will help you decide if you see a future with them. Just because you are going on dates with them doesn't mean you are committing to anything, so be sure you are taking everything at your own pace.
