Cupid's Advice:

It's important to strengthen your relationship and cement your love for one another before welcoming a child into your lives. If you're looking for ways to do this, Cupid has some advice for you:

1. Explore: Once you begin your pregnancy journey, the next few years of your life will be chaotic and full of sleepless nights. Take this time before that happens to travel, adventure, and check some things off your bucket list! These experiences will strengthen your relationship and bond with your partner, so when the time does come, you will both be rock solid in your commitments.

2. Enjoy: As wonderful as parenthood is, at times you will definitely miss being able to have one-on-one time with your partner. Take this into consideration before you start your pregnancy and really enjoy your relationship. Make time for date nights and fun days out and about! This will really strengthen your relationship because you are taking the time to deepen your bond with each other.
