Cupid's Advice:

Dating online can be really nerve racking. There are perks to online dating during the pandemic, and Cupid has some advice for you:

1. There's already something to talk about: When talking to someone new, it can be difficult to find something to talk about, which just makes things awkward. Since new developments are happening every day with the pandemic, this can be used as something you know you have in common. You can both talk about how the pandemic is affecting you, which can lead to great conversation.
