Cupid's Advice:

Relationships are bound to go through up and downs, which makes it hard to know when you should let go. For some clarity on when your relationship is beyond help, Cupid has some advice for you:

1. Is your partner being faithful?: If your partner truly loves you, they won't be unfaithful. If they are cheating on you or being dishonest, then they don't respect you enough to tell you that they don't want to be with you. And, in that case, there is no point trying to fix the relationship because you deserve someone that respects you enough to be faithful.
