Cupid's Advice:

Families come in all shapes and sizes. No matter who you're bringing into your family, it's important to welcome them with open arms. If you're unsure how to seamlessly expand your

family, Cupid has some advice for you:

1. Tell extended family: Whether you're having a baby, adopting a child, or reuniting with an adult family member, it's important to make sure they feel welcome. That starts with the entire family being excited to meet them, not just the parents.

2. Make sure they're comfortable: For a baby, this would be setting up a nursery. However, it can vary for older family members. Make sure to openly communicate with them about their needs. Listening to them will make them feel valued and like part of the family.
