Cupid’s Advice:

Your relationship ended for a reason, but you can’t stop thinking about your ex. How do you know if you should really give it another chance with your ex? Cupid has some advice for you:

1. Time has passed: You and your ex have spent time apart. Maybe, you’ve both grown. Maybe, you can’t remember what fight broke you up. You may be able to start again with a clean slate. If extended time apart helped you realize you still want to be with your ex, why wait any longer?

2. You fixed the problem: Remember the reason you broke up in the first place? Maybe it’s not a problem anymore. If there was a specific issue that broke you two up—like long-distance no longer being an issue—and that issue has been solved, it might be worth it to try again.

3. You're on the same page: Sometimes relationships end because you and your partner don't want the same things. Maybe you couldn't agree on where to live or if you wanted kids. People can change their minds! If you and your ex want the same things now, it sounds like the timing is right.
