Cupid's Advice:

In relationships there will always be good times and there will also be bad ones, but it can be hard to decipher whether the bad times are enough to split. If you are in a relationship and you're not sure whether you should break up or stay together, Cupid has some advice for you:

1. Does the good outweigh the bad?: When deciding if you and your partner should stay together, you should take a hard look at your relationship and figure out if the good times outweigh the bad. If they do, then you should try to make it work, but if not, then you may want to take a closer look at things.
