## **In celebrity news, Dwayne Johnson is convinced Justin and Hailey will have a baby in 2021. How do you decide when the right time is to have kids?**

### **Cupid’s Advice:**

Once you’ve tied the knot many people will be looking a baby right afterwards, but if you and your partner aren’t ready then it shouldn’t be something that you should rush into. If you and your partner aren’t sure if it’s the right time to have kids, Cupid has some advice for you:

**1. You’re ready for the **commitment**:** Having a baby is huge commitment because once you bring this baby into the world there’s no turning back, this baby is yours forever. Not only do you need to be committed to your baby, but you have to be committed to each other as well. Once you and your partner have a baby together you’ll be tied together forever as you both share a child. So preparing yourself for commitment is key.

**2. Evaluate your current life events:** A baby is going to take up a lot of your time so before deciding that you’re ready for a baby you might want to access the things that are going on in your life right now. It can be a demanding job, recovering from a serious injury or illness, or taking care of your

parents, these are things you have to consider before determining if its the right time. Decipher whether or not you have time to commit to a baby right now.
