Cupid's Advice:

Your partner is there to support you in many things, but it's especially important to have a significant other who supports and shares in your passions. Cupid has some ways to do so:

1. Listen to them talk about their passions: One way to share your partner's passions, even if you have different interests, is to listen to them express their passions. This will allow them to feel like you are involved in this part of their life, even if it isn't something you are also passionate about.

2. Offer up support: If your partner is passionate about something that you've never tried or learned about before, it's important to be open-minded. Maybe go out on a limb and try doing something they love, and who knows, maybe you will love it, too.
