Cupid's Advice:

Every mother deserves a little something after a difficult delivery journey. If you're looking for some perfect “push presents” to give the mother of your recently born child, Cupid has some advice for you:

1. A baby book journal: A baby book is something most sentimental moms will love. Especially if she is a new mom, writing down all of her experiences of her pregnancy and birthing story will be an important memory for her, and your child may love to read it one day!

2. Mom jewelry: A push present doesn't have to be something for the baby; this gift can be about celebrating the mother and everything she has been through in this special time in her life. Think about buying some sort of jewelry that symbolizes motherhood, like a birthstone ring, interlocking necklace pendants, or something engraved with “Mama.” These types of gifts will make her feel so special as she enters into motherhood.

3. A day of relaxation: If your baby comes unexpectedly, or if

you don't have enough time to plan out your push present, a spa day is a great idea for a new mother. Buy a gift card so that she can use it whenever she pleases once she has recovered from delivery. Plan a day to watch the baby while she gets some rest and relaxation for all of her hard work.
