## Cupid's Advice:

Ending a relationship, especially a marriage can be a tough decision to make. It's difficult to know if you should keep trying to work on it, or if it is time to call it quits. If you're having trouble in a relationship and need some signs that your relationship is unfixable, Cupid has some advice for you:

**1. You don't trust each other anymore:** One of the most difficult issues to resolve in a relationship is a lack of trust. Although trust and loyalty can be regained sometimes, once they are lost over and over again, it becomes even more difficult to replace. If you and your partner have tried regaining trust, and it is just not working, it may be a sign of irreversible damage.

**2. You make each other unhappy more than you make each other happy:** Another tell-tale sign of an unfixable relationship is unhappiness. If you and your partner usually make each other unhappy or upset more often than you make each other happy, this may be a sign that the good parts of the relationship are long gone. Although you can try things to fix this problem, if negative feelings and unhappiness are persistent in your relationship, it may be difficult to change that.

**3. You've tried everything:** The most telling sign that your relationship is unfixable is when you both feel a sense of exhaustion because you have tried everything, and nothing has worked. Before giving up on the relationship, make sure you have tried every possible solution to work through your problems. Once you have tried everything without seeing progress, it may be time to call it quits.
