Beauty Trends: 5 Ways to Make Your Eyes Pop

By Carly Silva

Now that the COVID-19 pandemic has a lot of us wearing masks, it is a little more difficult to accomplish a full-faced beautiful makeup look. Since the eyes are really the only part of your face that people can see, adding an extra pop to your eye makeup is a great way to still sport a fun makeup look from underneath your mask.

If you're in need of some [beauty](#)

[tips](#) on making your eyes pop, here are five ideas that will draw extra attention to your eyes:

1. Add a sparkle: One of the easiest ways to draw some special attention to your eyes is to add sparkle. You can use a glittery eyeshadow or add extra glitter on top of your preferred eyeshadow. Sparkly cream and liquid shadows are also super easy ways to add shimmer to your lids as well. You can even use a highlighter on your eyelids or in the inner corner of your eye to give them a little extra sparkle without having to buy a new glitter shadow!

2. Curl your lashes: This step might seem simple, but it makes an incredible difference. Curling your lashes makes your eyes look bigger and brighter, and it also helps your mascara to pop more. Lash curlers are a simple way to make your lashes look extra long and your eyes stand out even more!

3. Use an eyeshadow primer: Another simple way to make your eyes pop, especially when wearing eyeshadow, is to use a primer. Adding a primer underneath eyeshadow will not only help the product stick for long wear, but it will also help the colors of your shadow appear brighter and more pigmented. This is a great way to help your eyes get that extra boost of color they need!

4. Fill in your brows: If you are looking for a way to make your eyes pop without having to add crazy colors or glitter, focusing on the brows is a great option. Adding extra color and depth to your brows is the perfect way to draw attention to this part of your face. You can use any type of filler:

pencil, gel, crayon, or even a dark eyeshadow.

5. Add in a liner: Another great tip that will really make your eyes stand out is adding eyeliner. Eyeliner, whether on the top or the bottom, is great for defining the eyes and making them more noticeable than usual. You can even use a bright colored or sparkly liner to add a little extra pop.
