Cupid's Advice:

Even if we are not planning on going on a dating television show, it is still possible to find love in unconventional settings. However, these settings may cause us to feel closed off or skeptical. If you are looking for some ways to find love in an unusual setting, Cupid has some advice for you:

1. Drop preconceived ideas: When we find ourselves in a new setting, we often have preconceived ideas about what the people and experiences will be like once we arrive. In order to give the idea of finding love a fair chance, it is important to get rid of those preconceptions. Having a clean slate and open mind is the best way to find love in unusual situations.

2. Don't force anything: Sometimes when approaching a situation with the hope of finding love, we may unintentionally feel ourselves trying to force a connection. Even in unusual settings, it is better to let things progress naturally. Make sure that the person you are finding interest in is someone you would want present in your normal life as well, and not simply the best option out of the people around you.

3. Take advantage of your time there: Whether your unusual setting is a business trip or simply your local gym, it is important to take advantage of the time you have there. If you are looking to find love, use every opportunity to talk to the people around rather than waiting for them to approach you. By using your time wisely, you'll open as many doors as possible for potential bonds.
