How do you make love work with little time?

Cupid's Advice:

In today's age, people are not only obsessed with their careers, but also with finding love. With busy schedules taking over lives, it can be difficult to make a relationship work. Cupid has some tips:

1. Make time: Being a workaholic can ruin a relationship, not to mention your life in general. Spare some time out of your busy schedule every day to be with your significant other, no matter what it takes.

2. Phone calls: Spending quality time might not be an option for many, so make phone calls or text each day during your breaks. This will let them know that although you're busy, you're thinking about them.

3. Take off: If you have to, take work off to go on a mini vacation with your love. It's crucial to relax and not allow stress to get the best of you... especially when it might ruin your love life.
