How do you have a romantic honeymoon in a short period of time?

Cupid's Advice:

A good marriage is not about the honeymoon lasting forever; it's about the honeymoon *period* lasting forever. As long as your eyes continue to light up when you see your partner, you'll always feel like you're on vacation:

- 1. Plan a second honeymoon:** Vacations are always fun to plan either as a couple or as a family. If you feel that your honeymoon wasn't long enough, plan to go on another very soon.
- 2. Vacation close to home:** If you cut down on the travel time, you will have more time to spend on vacation instead of getting to one.
- 3. Plan ahead:** It may not seem romantic to have a honeymoon on a schedule, but it can be a real time saver.
