How do you keep your independence in a relationship?

Cupid's Advice:

It's great to share experiences while you're in a relationship, but at the same time, it's important to keep your independence as well. Cupid's got some tips:

1. Slow it down: Don't jump into a relationship, because if you move too quickly then you'll have to meet the commitments that come with it.

2. Keep your space: Although it's important to spend quality time with each other while in a serious relationship, it's important to have your own friends and sometimes do things without your partner.

3. Time for you: Try to remember that it's important to take some time for just yourself. Your mate should understand this if you're in a healthy relationship.
