Cupid's Advice:

Easing into married life can be tough sometimes. Cupid has some tips on how to keep the honeymoon phase alive after your romantic vacation ends:

1. Make time for fun: Even though life may be a little hectic for a newlywed couple, it's still important to have a date night, whether it's a movie night or a romantic dinner. Keep the fire burning.

2. Flirt: Just because you're married doesn't mean you can't keep flirting like you did when you first met. It keeps your partner on his or her toes.

3. Maintain respect and love: It's important to maintain the love and respect you have for each other even after the honeymoon, and to continue compromising on any issues that come up throughout the marriage.
