What responsibilities come with being married?

Cupid's Advice:

Dating is to basic math as marriage is to differential equations; it's a whole new level of work. Cupid has a few tips to remember when taking the leap of faith:

1. The beauty of monogamy: The two of you made a promise to stay faithful through good times and bad. It takes a responsible couple to make that realization and strive to uphold it every day.

2. 'A Whole New World': This means more than just living together. They say that once you're married, everything changes; the best couples are the ones who adapt to the changes and make things work.

3. 'We Can Work it Out': The truth is that you and your spouse will fight a lot in your marriage. If you're serious about your commitment, then you'll have to remember one word – compromise.
