Where are some unique locations to propose?

Cupid's Advice:

When you feel ready to pop the question, it's best to do it somewhere special. Cupid has some ideas on unique places to get engaged:

1. On the beach: Take your mate on a surprise trip to a tropical locale, like Jay Cutler did for Kristin Cavallari.

You and your partner will never forget the sun setting on the water.

2. On a mountain: If you want to propose in a memorable location, climb to the top of a mountain. You'll feel like you're on top of the world (literally). Plus, it'll make for a great post-engagement photo op!

3. Where you met: Whether you first laid eyes on your honey on top of the Empire State Building or in a supermarket, revisit that place to propose. It will remind you of the magic you felt when you first met.
