How do you keep your anniversary romantic when you have kids?

Cupid's Advice:

Once you have kids, the lives of you and your partner will be forever changed. However, that doesn't mean you can't make a

little time for yourselves as a couple, especially on days such as your anniversary:

1. Hire a babysitter: Even parents need a night off. Hiring a sitter is a great way to make time for yourself and to teach your children independence.

2. Celebrate as a family: Your kids are an important part of your life as a couple. A great way to include them in your anniversary celebration is to take a trip as a family. As long as your kids are old enough, you can always get separate rooms (next to each other, of course).

3. Have a romantic dinner at home: Providing that the kids stay asleep, celebrating your anniversary at home can be a lot cheaper and more convenient than going out.
