What are creative ways to inform your friends about a new relationship? Cupid's Advice:

Sometimes, at the start of a budding romance, we don't feel the need to call or text everyone in our contact list to let them know about our newest fling. Cupid has some other ideas on how to break the news:

1. Facebook: Although, it can sometimes be a bad thing, social media makes it easy to get news out there fast. Upload a picture of you and your new girl or guy, or tag them in a cute post. Your phone will be ringing in no time with tons of questions.

2. Public appearance: Show up together somewhere you know all of your friends will be. If you really don't want to leave room for doubt in their minds, make sure you're holding hands when you get there.

3. Drop hints: When your discussing what you did last weekend

or what your plans are for the night, make sure you let everyone know you want to find out what your special someone is doing first.
