What are ways to tell if your partner will be a good parent?

Cupid's Advice:

Although you can't tell for sure if your significant other will possess quality parenting skills, there are certain indicators. Cupid points to a few below:

1. How they were raised: If your partner was raised in a loving and caring environment, chances are that he or she has already absorbed those attributes as well.

2. How they act around other kids: Perhaps you've seen your mate around your nieces and nephews or maybe your friends' kids. If her or she seems comfortable around other people's kids, it's looking good for your children together.

3. How they treat you: One of the best ways to tell if your partner will be a good parent is to analyze how he or she treats you (or people in general). If patience, nurturing and care are three of his or her qualities, being a good parent won't be a huge leap to make.
