## Arnold Schwarzenegger and Maria Shriver Call It Quits

Arnold Schwarzenegger and Maria Shriver are parting ways after 25 years of marriage. *People* reports that the power couple, who have four children together, consider the split a mutual decision. "After a great deal of thought, reflection, discussion, and prayer, we came to this decision together," they say in a statement. "At this time, we are living apart, while we work on the future of our relationship." Shriver, 55, a TV journalist and a Kennedy, and Schwarzenegger, 63, a bodybuilder-turned-actor-turned-governor, were an unlikely pair from the start, but managed to stay committed to each other despite their differences.

Is it important to be with someone who is different from you?

## Cupid's Advice:

Sometimes opposites attract, but is dating someone who is different from you a good idea? Cupid has some ideas on whether two people with differing interests can find love:

- 1. Keep it interesting: Being with someone with contrasting interests can make your relationship more fun. Your mate can introduce you to new things and vice versa.
- 2. Mismatched: While it may work for some, dating someone who has a completely opposite personality can also just mean you're incompatible.
- **3. Same old, same old:** The bottom line is, you should be with someone who makes life fun and exciting. If you date someone who is exactly like you, you may get a little bored.
