How do you make your wedding menu unique?

Cupid's Advice:

Let's face it: it's fun to break away from "typical." Cupid has some ideas on how to do just that when it comes to the menu at your wedding:

1. Do an “around the world” theme: Can’t decide on what kind of food to serve at your wedding? Then choose all of them. Choosing dishes from multiple ethnicities can be fun for both you and your guests.

2. Recreate your first date: Even if you just went to a local diner, getting catered food from the place you went to on your first date is a great way to celebrate the beginnings of your relationship on your wedding day.

3. Go all out: If you have the budget and the taste for fine food, make your menu completely gourmet. It will be a meal your guests will always remember.
