How do you know if you can trust your partner after past indiscretions?

Cupid's Advice:

After your mate is unfaithful, it's hard to trust them completely again. Cupid has some tips on how to know if your partner really has changed for good:

1. Accept the apology: If your partner made one mistake and is truly sorry, think before throwing away your entire relationship. Give your mate another shot if you feel they are being genuine.

2. Don't forgive multiple affairs: If your significant other has had multiple indiscretions in the past and doesn't seem fully committed to your relationship, you probably can't trust them to stay faithful in the future.

3. Have faith: The bottom line is, you'll never know for sure if your partner is going to cheat again. But if you decide to give them another chance, give them your complete trust. There's no point in starting over and giving the relationship a shot if you're not fully trustful.
