What are some tell-tale signs that your two friends are more than just friends?

Cupid's Advice:

Sometimes your friends choose to keep their new relationship a secret, but Cupid has some things to look for tell if they're more than just friends:

1. Lots of eye contact: If you're hanging out in a group, keep a lookout for eye contact between your friend and his or her suspected new partner. If you catch them exchanging meaningful glances, chances are they've left the friend zone.

2. Higher texting volume: If your friend who isn't usually texting a lot is starting to bring out his or her phone all the time, this may be a sign that he or she has a new love interest. Increased cell phone usage is definitely telling!

3. Avoidance: Your friend may be avoiding all topics related to relationships when you talk to him or her. Omission is

always something of which to be suspicious.
