How do you get over the trauma of an affair?

Cupid's Advice:

It can be tough to get over an affair. In fact, most people who experience this type of trauma in a marriage are never able to salvage their relationships. However, if you do choose to move on and remain with your partner post-affair, the only way to do it is to spare yourself the details:

1. Two affairs don't make a marriage: If you choose to forgive your partner's infidelities, don't try to make things even by having an affair yourself. It will only make matters worse and will never make you feel better in the end.

2. Restore trust: Trust takes a lot of time to restore. Don't stay with your partner unless you plan on being patient. Without trust, you can't have a healthy

relationship.

3. Don't ask about the details: If you're going to move on, you can't do so with images in your head of your partner with someone else. Stick to a don't ask don't tell policy, at least as far as vivid descriptions are concerned.
