Cupid's Advice:

Not all loves in this world are supposed to last. Cupid has a few suggestions on how to know when it's time to leave:

1. Where is the love?: If the love and connection you used to your feel with your partner has now vanished or decreased

significantly, it may be time to re-evaluate your relationship.

2. Mirror check: Take a look at yourself in the mirror periodically and make sure you're the person you want to be. If your relationship is changing your values and priorities, then you may need to let it go.

3. Butting heads: Sometimes you may be in love with someone, but you can't seem to find a way to compromise about a problem in your relationship. If it's a big enough issue that it's starting to tear you apart, it might be time to step away for a while and think things through.
