How do you start off your relationship in an unforgettable way?

Cupid's Advice:

The start of any new relationship is exciting and memorable, but Cupid has some tips on how to make it *unforgettable*:

1. Try new things: What better way to start off a relationship than by going out and trying new things. Try eating at a new restaurant that you wouldn't typically go to or try a new activity. Freshness will help make your new relationship special and memorable.

2. Take candid pictures: The beginning of any relationship is considered the "honeymoon" stage, so why not keep those memories alive by taking pictures of all the fun times you two are having together? This way, you'll always remember the fun you had from the very start.

3. Have fun: The most important part of starting a new relationship is to make sure you relax and have fun. This is the best way to open up and get to know your new significant other without any expectations and judgements. Take a ride on a rollercoaster or go rock climbing. Do something crazy and fun.
