What do you do if your partner has a prior criminal background?

Cupid's Advice:

Not everybody has a squeaky clean past. Here are a few things you should be aware of when dating a reformed criminal:

1. Get the facts: Underage drinking and bank robbery are two very different crimes. Make sure you know what your partner was charged with and how serious the crimes were before you enter into the relationship.

2. Prepare yourself: It's harder to live life with a criminal record. Travel becomes difficult, as does getting a loan or applying for a job. Make sure that you are willing to carry some of the burden for your partner's past mistakes.

3. Shake it off: Plenty of individuals make unwise decisions when they are young. Though the thought of dating someone who has had trouble with the law may scare you, don't be too prejudiced. Your partner now has different ideals and life experience to bring to the relationship.
