How do you include your parents in your engagement?

Cupid's Advice:

The marriage proposal is one of the most memorable moments of the engagement, and Molly Sims and Scott Stuber made that even more special by including her parents. Cupid has some ways to

do just that:

1. Invite them to the proposal: If you plan on proposing at a romantic restaurant, why not have your parents sit at a table across the way or somewhere secluded so that they can still see your special moment without spoiling it.

2. Make them your first call: Before calling your best friend, call your parents to share the good news with them. They'll feel special that they were the first people to know about the upcoming nuptials.

3. Ask for advice: Involve your parents by asking them to help choose the ring and the right time and place to propose. It'll make them feel special and important.
