What are some reasons to go public with your relationship?

Cupid's Advice:

Hiding a relationship can be more time consuming than actually having one. Though it may seem like a big deal at the time, there are very few good reasons to keep your relationship under wraps. Cupid has some reasons to go public:

1. You want to share your happiness: When you're happy, you want to share it with others. It's hard enough to keep something negative a secret, so imagine trying to hide something positive.

2. You have run out of excuses: When you're in love with someone, you're going to want to be with them all of the time. Therefore, you're bound to run out of excuses for why you're always together.

3. You are tired of lying: Lying and sneaking about take a lot more effort than the repercussions of having everything out in the open. Taking your relationship public can be a huge load off of your back.
