Nothing can fully prepare you for parenthood until the baby

actually comes, but Cupid has some tips on how to make the transition easier:

**1. Read books:** There are lots of great resources out there, like *What To Expect When You're Expecting*. Do some research before your bundle of joy arrives.

**2. Ask for advice:** Talk to friends and family who have children to see what their biggest surprises were when their first child was born.

**3. Babysit:** If you have any young nieces, nephews or cousins that you can spend time with, becoming comfortable with them will help make you more used to having a little one around.
