**What are some quiet ways to announce your breakup to friends and family?**

**Cupid's Advice:**

It is always acceptable to be private about your breakups. Here are some great ways to do so:

**1. Wait to be asked:** One quiet way to announce a breakup is not to make a point to do it. However, if someone were to ask about your previous other half, it's time to spill the beans.

**2. Change your relationship status on Facebook:** It's not appropriate to announce a breakup through a Facebook status update or a tweet. That said, changing your relationship status is not only something you would automatically do anyway after a breakup, but it's also a smart way to announce that you're single.

**3. Tell only a few close friends:** Announcing that your relationship has ended doesn't have to be a huge announcement. If you tell only a few people, everyone is bound to find out eventually.
