What wedding design details can embody your personality as a couple?

Cupid's Advice:

All couples want a unique wedding. However, a lot of the 'unique' ideas have already been done. Here are a few details that you can make 100% your own:

1. Color scheme: Pick a color scheme that reminds you and your partner of a romantic moment you once had together. Though the colors you pick may be generic, the memories behind them will not be.

2. Location: For a wedding venue that is really out-of-the-box, try thinking back to your childhood. You might recall a secluded park or a spot in the woods that particularly entranced you and would serve as the perfect location.

3. Food: Sit down with your partner and list your favorite foods. Don't be afraid to have fun with the menu and pick a variety of foods. The eccentricity displayed by your choices

will charm your guests.
