How can you re-vamp your outlook on life post-breakup?

Cupid's Advice:

After ending a relationship, sometimes you need to re-adjust your life. Cupid has some ideas on how to change your frame of mind after a breakup:

- 1. Take a trip: If you take some time off and go somewhere new, your perspective on things might change. Traveling will give you time to think and reevaluate your life.
- 2. Have a makeover: Upgrade your look like Lauren Conrad, and you'll end up upgrading your outlook. Try a new hairstyle or some new outfits and you'll feel like a new person.
- **3. Date:** Rebound relationships are usually a bad idea. But going on a couple of first dates with new people will help you remember that there are other opportunities out there.
