What are some ways to “go with the flow” in a relationship?

Cupid's Advice:

Forget the hassle of preparation, high hopes and constant wondering of where your relationship is heading. What are some good ways for you to go with the flow? Cupid has some tips:

1. Have fun, with a light heart: Relationships don't always have to be so serious. Let loose a little. It'll help you and your partner to bond on a fun-loving level.

2. Don't take anything too serious or personal: If you take everything to heart, there won't be any room for enjoyment. Over-analyzing things can sometimes cause a lot of issues in relationships.

3. Treat it like a friendship: Friendships build great foundations for almost all relationships. Kissing and hugging doesn't mean that your partner can't be your friend. With a friendship base, going with the flow might be a little bit easier.
