What are some ways to squash break-up rumors?

Cupid's Advice:

Sometimes rumors surrounding relationship problems can be lethal and can actually lead to a split. To make sure that doesn't happen, Cupid has some tips on how to stop the poisonous talk once and for all:

1. Utilize social networking: Use tools like Facebook or Twitter to post loving pictures of you and your beau to show everyone that you most definitely have not broken up and are in a good place.

2. Plan a trip together: When two people plan a trip in advance, it shows that you plan to be together for an extended period of time.

3. Ignore it: The best way to fight a rumor is to not buy into it at all. As long as the tall tale is not actually affecting your relationship, there's no reason to make yourself crazy trying to disprove it.
