Divorce can be tough, but what are its advantages after the fact?

Cupid's Advice:

Divorce is a difficult thing to go through, but there's always a light at the end of the tunnel, and Cupid has come up with a few advantages:

1. Happiness: Yes, initially you may be heartbroken, but in the end it's important to realize that the two of you weren't happy. Once you move on, you'll be happy knowing you ended something that wasn't going anywhere.

2. Find yourself: One of the best parts of life after divorce is rediscovering what makes you, you. Whether it's going back to the hobbies you used to love or jumping back into the dating pool, keeping yourself busy with things you enjoy will remind you that you're self sufficient.

3. Open to new love: Maybe your idea of a picture perfect marriage didn't work out as planned, but that doesn't mean you have to give up. Now that you're single, you can find your true soul mate.
