

Jay-Z Raves About Wife Beyonce During Interview

It looks like love got the best of him! Jay-Z finally broke his longstanding silence when it comes to talking about wife Beyonce to the media. He just couldn't contain himself during a phone call into a Miami, Florida, radio station, according to UsMagazine.com. And when he opens up, he *really* lets it fly. "What I've learned from her is similar to what I learned from Mike [Jackson] – and I know that's blasphemy to compare the two because Mike was such an innovator – but I think she's like the second coming," said Jay-Z. "You know, the hard work and dedication that she puts into her shows. It just makes you want to work harder at your own craft. She's like a machine."

How do you publicly show your support for your partner?

Cupid's Advice:

Some people are more forward about their relationships than others in public. Regardless, it's important to show your love and support to the world ... at least once in a while. Cupid has a few suggestions:

1. Cheer: If your partner is being honored for an accomplishment, it's extremely important that you are there with a beaming smile on your face and your hands wildly clapping together. Seeing the support of the one you love makes the occasion even more memorable.

2. Be attentive: Sometimes it's the small things that count the most. When you're out with your mate, keep a watchful eye on him or her. If she's getting hit on at the bar and doesn't seem to be liking it, step in. If she trips on a crack in the sidewalk, catch her.

3. Plan dates: Going on dates typically involves going out in public. Make sure your significant other has no doubts that you're paying attention to her and only her while you're surrounded by others. The phrase, "I only have eyes for you" comes to mind.
