How do you know when you're ready to tie the knot?

Cupid's Advice:

Knowing you're ready for marriage is more of a feeling than anything else. You have to be ready to completely commit. Here are some strong indicators:

1. When your eyes sparkle: The moment your eyes begin to sparkle more than your engagement ring is the moment you should walk down the aisle.

2. Your partner is always on your mind: If your mate is all you can talk, think and dream about, it's time to put on that white dress.

3. You can't stop smiling: One can always spot a person in love from his or her radiant smile. If your smiles outweigh your frowns by a long shot, you might consider tying the knot.
