How do you know when you're ready to tie the knot?

## Cupid's Advice:

Knowing you're ready for marriage is more of a feeling than anything else. You have to be ready to completely commit. Here are some strong indicators: 1. When your eyes sparkle: The moment your eyes begin to sparkle more than your engagement ring is the moment you should walk down the aisle.

**2. Your partner is always on your mind:** If your mate is all you can talk, think and dream about, it's time to put on that white dress.

**3. You can't stop smiling:** One can always spot a person in love from his or her radiant smile. If your smiles outweigh your frowns by a long shot, you might consider tying the knot.
