**What are some romantic gestures to make your partner feel special?**

## **Cupid's Advice:**

**1. Text your love:** In the middle of the day, for no reason at all, send a quick and easy text. Tell your partner "I love you," or "I miss you." This unexpected message will put a smile on their face and have them thinking of you all day long.

**2. Help out:** Spend a little extra time here and there making your partner's life easier. Do a bit of his or her to-do list. If you lighten the load, there will be more time for the two of you to play together.

**3. Give a kiss:** After being in a relationship for a long time, sometimes we forget to slow down and show each other we care. One of the simplest ways to do this is to give your partner a simple, yet passionate kiss on his or her way out the door or while he or she is cooking dinner.
