

Does Kim Kardashian Want Babies Already?

Although Kim Kardashian tied the knot with Kris Humphries earlier this month, she's already thinking of babies, according to family friend Lisa Gastineau. "She wants babies. Let's cross the fingers. And her mom wants her to have babies quick!" Gastineau told UsMagazine.com on Saturday in Hollywood. Gastineau believes Kardashian will be a great mom, and she's confident that Humphries will be a great family man. "He adores [Kim]. I wish that every girl that I know had someone that adores her. Just the way that he looks at her. He's so cool, he stands up to her. Kim is a little dynamo. It is amazing; it is a fun, fun relationship watching them!"

Is there such thing as bad timing when it comes to having a baby post-marriage?

Cupid's Advice:

Although some couples take advantage of their time alone as newlyweds, others prefer having children immediately. Here are a few things to consider before starting a family:

1. Financially stable: Make sure you both have a career and are doing well financially, because taking care of children is expensive.

2. Goals: Do you both have future goals? Think about how having children might affect your dreams and relationship.

3. Ready for babies: You and your spouse have to understand the responsibilities involved when raising children. Make sure it's something you both want.
