What are some ways to keep the romance alive when you have a baby?

Cupid's Advice:

Just because you have a child, that doesn't mean you can't keep the fire burning in your relationship. Cupid has some

ways you and your boo can keep the romance alive even after you have a baby:

1. Include them: What better way to embrace this new found joy in your life than by bringing your child along on date night?

Head to a nice dinner or even a movie and show your child and your boo that you can still maintain a great relationship even when they're both there.

2. Make time: Even though you have a new member of the family, that doesn't mean you can't make time for just you and your honey. Plan a date night for just the two of you, and have a family member or sitter watch the baby.

3. Go on a trip: Head on a vacation with your baby so that you can all have new experiences together. Whether it be to a tropical island or simply a weekend getaway, try something new, and create memories you will cherish forever.
