Cupid's Advice:

It can be nearly impossible to see your partner every weekend when he or she lives so many miles away, and can even be tough to talk multiple times a day with a hectic schedule. Once you've decided to take on the challenge of a long distance relationship, you're going to have to put in some work! Here are some ways:

1. Skype: This technology is a great way to talk to your significant other face-to-face sans the airline ticket prices and long lines . All you need is a computer and webcam. Also, it's free!

2. Have a Friday night movie date: Movie dates are a dating staple. With Netflix, you can both watch the same movie at the same time in party mode. The Netflix package is available through Xbox live, Playstation, and Nintendo Wii. Plus, what guy doesn't already own an Xbox?

3. Unlimited plan: You're going to be making some expensive phone calls, so make sure your phone plan has the best possible deal you can get.
