How do you know when you should give a relationship another shot?

Cupid's Advice:

Getting back together with your ex is a difficult choice to make, and it can be even further complicated by lingering

feelings. Here are a few things to consider before making a decision:

1. Your feelings: After a breakup, you're often so lonely that you return to your ex. It's important to decide whether you're just lonely or if you have actual feelings for your former partner.

2. Reasons for your breakup: Figure out why you called off your relationship in the first place. If the two of you had a trivial fight, it may be something you can overlook. If your partner has serious character flaws or has wronged you in some major way, you may wish to rethink getting back together.

3. Your future happiness: If you feel that your ex will make you truly happy, then go ahead and rekindle the relationship. However, if you feel that there's someone better for you out there, then end your relationship for good and get back onto the dating scene with an open heart.
